THE ICATCHER SCOREBOARD APP

YOUR LED SCOREBOARD, RUN FROM YOUR PHONE

Keep score, show your sponsors and put messages on the big screen from your phone or tablet. You don't need a laptop or any cables.

Live scoring

Tap to score and the board changes straight away.

Ten sports

AFL, soccer, cricket, basketball, netball and more.

Sponsor ads

Put a sponsor up between plays, then go back to the score.

Sign mode

No game on? Use the screen for welcomes and notices.

CHOOSE HOW YOU RUN YOUR BOARD

Pick a mode the first time you open the app, and change it any time in Settings.

1

Simple Scoreboard

JUST KEEP SCORE

Pick your sport and go. The layout is already on the board, so you just tap the numbers. The game timer and shot clock are built in.

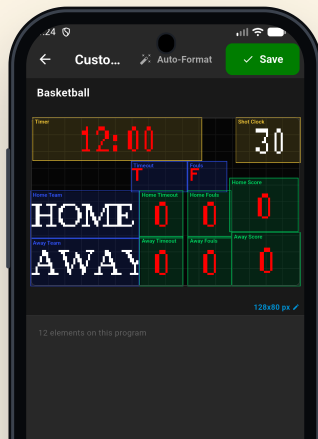

2

Advanced Scoreboard

DESIGN IT YOUR WAY

Move and resize the team names, scores and clocks on a live preview. Make sponsor ads with your own words, colours and logos.

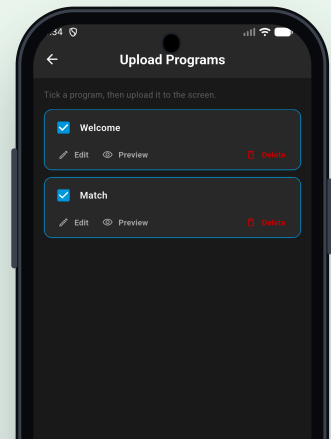

3

Sign Mode

MESSAGES AND NOTICES

Send a quick message straight to the screen, or save programs like a welcome board and let the board rotate through them.

BUILT FOR GAME DAY

- ✓ Game timer that counts up or down
- ✓ Shot clock for basketball and hockey
- ✓ +1, +2 and +3 buttons for basketball
- ✓ Scores are kept if you lock your phone
- ✓ Sponsor ads go back to the score on their own
- ✓ Brightness set by hand or on a timer
- ✓ Demo Mode to practise before game day
- ✓ Works with full-colour and single-colour boards

UP AND RUNNING IN THREE STEPS

- 1 Switch on the board**
Give it about 30 seconds to start up.
- 2 Join its Wi-Fi**
Connect your phone to the board's Wi-Fi network.
- 3 Open the app**
When the top of the screen turns green, you're ready.

GET THE APP

Search **iCatcher Scoreboard** on the App Store or Google Play, or scan a code with your phone's camera.
